 Attn: Certificate of Correction Branch  
 P. O. Box 1450  
 Alexandria, VA 22313-1450

**PETITION FOR ENTRY OF CERTIFICATE OF CORRECTION**

Sir:

Please enter the enclosed Certificate of Correction (PTO Form 1050) in the above patent.

The errors sought to be corrected were made by

☒ the Patent and Trademark Office. Thus, no fee is required for the Certificate of Correction pursuant to 37 CFR §1.322.

☐ Applicant(s) (at least in part). See next section for explanation. The appropriate fee under 37 CFR §1.323 has been authorized below.

**Please correct the following errors:**

On the cover of the patent at (73) please correct the Assignee name to read as follows:  
 Symantec Operating Corporation, Cupertino, California.

The attached Patent Assignment Abstract of Title, recorded October 1, 2007, supports the requested Certificate of Correction.

As shown by the attached document, the correct assignee name of Symantec Operating Corporation was recorded on October 1, 2007, following a change of name of the assignee. However, U.S. Patent No. 7,565,568 issued with the previous assignee name (Veritas Operating Corporation) listed as assignee. Due to this failure on the part of the USPTO to properly update the assignee name, Applicants respectfully request the timely issuance of a Certificate of Correction.

Since this Certificate of Correction was necessitated by the USPTO's error, Applicants believe no fee is due. However, if Applicants are mistaken, the Commissioner is hereby authorized to charge \$100.00 under 37 CFR §1.323 for submission of a Petition for Certificate of Correction as set forth on the electronic fee transmittal.

Please direct all inquiries concerning this request to the undersigned attorney at (512) 439-5092.

Respectfully submitted,

Shawn Doman
